

CAPE ANN CATS AND DOGS JOIN FORCES

The Cape Ann Theatre Collaborative "CAT" is teaming up with the Gloucester Dog Park "Dogs" to celebrate theatre, dogs and life's loving relationships both human and canine!

The Cape Ann Theatre Collaborative's November performances of "Sylvia," by A.R. Gurney tells the tale of a dog named Sylvia who endears herself to Greg, deep in mid-life crisis, while he plays hooky from work in the park. Once Greg brings Sylvia home, the love triangle of Greg, Sylvia and Greg's wife Kate begins to our howling delight!

"Sylvia" is slated for performance at the Gorton Theatre, home of Gloucester Stage Company, East Main St., Gloucester, November 11,12,13 and November 17,18,19 and 20. The November 17th benefit performance (\$25) unites CAT and dogs in support of the Gloucester Dog Park. To reserve tickets at the door for CAT performances (\$20) call 978-325-3153.

Stage Fort Park, the future home of the Gloucester Dog Park, will give our community a meeting place where relationships both human and canine can flourish. To aid in this dream, the Cape Ann Theatre Collaborative invites you to join us for a special benefit performance on November 17th at Gorton Theatre where an on-going silent auction continuing throughout the entire run of CAT Collaborative's "Sylvia" will offer an array of items for people and dogs! For further ways to donate or volunteer to make the Gloucester Dog Park dream come true, visit their website at www.gloucesterdogpark.org
