Summer Program Hours: 8:30-3:00

A Block, Early Drop Off: 7:30-8:30

B Block, Extended Day: 3:00-5:30 "Get in the Game" (see description below)

Week Seven: 7/31-8/4

Arts

Break A Leg!: Entering grades 1-7

Let's put on a show! Enjoy the rehearsal process while learning more about stage directions, improvisation and character development. On Friday, family and friends are invited to the performance!

Adventure

Small Swell: Entering grades 4-8

Catch a wave this summer! Learn balance, coordination, timing the waves, falling and getting back on the board in this fun, educational program that is ideal for children of all surfing abilities.

Week Eight: 8/7-8/11

Arts

Art Walk: Entering grades 1-7

Stand in the footprints of famous maritime artists and see the harbor through their eyes. Create your own art inspired by the seascapes and working waterfront before you. Walk Gloucester's "Harbor Walk", complete a scavenger hunt challenge, and stop along the way to sketch, paint, and draw. Visit the Cape Ann Museum, snack by the water, and return to campus excited to continue the creative process in both the indoor and outdoor art studios.

Adventure

Coast & Compass: Entering grades 4-7

Enjoy some great summer adventures as we kayak, hike and hit the beach. The highlight of the week will be our legendary two-night trip to the Isle of Shoals where you can hike, play tennis, jump off the dock, roast marshmallows over an open fire, and learn the local lore of the island!

Week Nine: 8/14-8/18

Arts

Author's Corner: Entering grades 1-7

Become an author and illustrator! Share your love of books with friends as we read, write and illustrate our own work. Learn the craft from guests who are professional authors and artists. Children will come home with a finished product of a picture book, poetry collection, play, or graphic novel.

Adventures

I Survived: Entering grades 3-7

Ever wondered how to start a fire, build shelter, search for food, and stay safe in the wilderness? Learn some of the basic skills taught in the Army Ranger School program and then apply your knowledge as we rough-it during a two-night camping trip.

Week Ten: 8/21-8/25

Arts

Animal League: Entering grades 1-7

Come spend a week with Iris the therapy dog and her friends! We will wash, groom, train, walk and play with dogs! Meet a real dog trainer and learn a few tricks yourself. Bake healthy dog treats and learn about various breeds. Have a community "dog wash" and we will give all money earned to our local dog shelter when we visit there. Bring your dog or borrow one of ours for "Bring our Dogs Day" on Friday.

Adventures

Game On: Entering grades 1-7

Let's play some games! Tennis, soccer, bowling and mini-golf are among the fun activities planned for this session.

Get in the Game: 3:00 – 5:30 daily from 7/3-8/25

Get moving as we explore the wonderful nature of games and sportsmanship. Fine-tune the skills necessary to challenge yourself in a variety of mental games, beach and lawn games and physical challenges. In the circuit of games and strategies presented, many skills will be enhanced, strategies developed, and missions accomplished.
