

CAPE ANN Museum

Cover image and detail: *Returning From Surinam*, Fitz Henry Lane (1804-1865), Private collection

Storms Rage

In response to the COVID-19 crisis in our community, the Cape Ann Museum will be closed to the public until further notice. During this time, we will host a number of virtual events and exhibitions and continue to make progress on our mission.

We treasure our community and many of our neighbors are in need. The weight of this crisis is already being felt.

Please consider helping the citizens of Gloucester who have been directly impacted by COVID-19 by making a donation to The Open Door or one of the other social services organizations working in our community. Together, we will endure.
