PRESS RELEASE
for immediate release

Jane Deering Gallery is pleased to present **ADIN MURRAY | Intertidal** opening with a public reception on Thursday August 3rd from 5-7pm. As in his two previous series—*Horizon* and *Moon*—Murray’s reverence for the spirit of the natural world continues with an exploration of the intertidal waters and the great salt marsh lands of Cape Ann. This new show is intended to give the viewer a peek into the process that Murray employs to create his work. Consisting of preparatory drawings, preparatory oil studies, and three final large format paintings, the exhibition affirms the fundamental stages in the development of a final piece. Adin Murray holds a BA in Art/Biology from Tulane University and an MFA in painting from the Savannah College of Art and Design. His work is in the permanent collection of the Cape Ann Museum, Gloucester MA and in corporate and private collections in the US and abroad. Murray lives and maintains a studio in Gloucester, MA. This is his sixth show with Jane Deering Gallery. **Intertidal** runs August 3-20, 2023. Gallery hours: Friday & Saturday 1-5pm; Sunday 1-4pm; and by appointment at 917-902-4359. The gallery is located at 19 Pleasant Street, Gloucester. janedeeringgallery.com .
